### 3 ways to treat your home this festive season!

Editor | October 27, 2020 @ 01:32 PM

Festivities mark the beginning of prosperity, good health and celebrations. If we are to encapsulate the essence of festivities, all we can think of is delicious food, rituals, get-togethers and house makeovers. Since, the current situation demands for us to stay at home, your ambiance and décor holds utmost importance.

So, here is how you can add vibrancy and enthusiasm to your home in no time!

#### Vavona Burl

**Price: On request**

After the tedious job of cleaning the house comes the most happening part – uplifting the face of your interiors! This year give a royal touch to your festivities by opting for dark tones and shimmery elements. For instance, re-vamp your otherwise plain walls with the glamorous grained pattern of Vavona Burl by Decowood Veneers from the house of Greenlam Industries Ltd. To provide an edge to the brown-red shade of your veneer, go for golden metallic antiques that makes-up for a vintage perfect look. We also suggest to pair beige or cream net curtains that will allow the fairy lights and candles to illuminate your magical moments!

#### Chiaro

**Price: On request**

All the little things and those special corners hold equal importance while giving a festive makeover to your house. Start with placing a glass bowl with floating candles and flowers in the corner of your room. It will stand out yet blend with your exquisite woodgrain texture of Chiaro laminate by Greenlam Laminates from the house of Greenlam Industries Ltd. This laminate also offers a safeguard plus technology with health & hygiene features – antivirus, antibacterial, antifungal that retard and kill up to 99.99%\* of viruses and bacteria which come in contact with the surface. So, make the most out of your celebrations without worrying about your hygiene and health. Notch-up the entire look with two mini-planters in rose-gold matte finish and your breath-taking corner is simply ready!

#### Oak Stockholm

**Price: On request**

A calm and refreshing ambiance is every season's favourite. How about we bring in some excitement to a neutral colour palette that enlightens up your spirit of festivals? Start with pairing your classic white furniture with natural looking engineered wooden floors like this Oak Stockholm by Mikasa Floors from the house of Greenlam Industries Ltd. The light brown shade of your floors will seamlessly accentuate your little pops of colour in your accents. Alternatively, you can re-use your old lanterns to bring in a timeless panache. Since, Mikasa Floors are composed of three stability providing layers - real hard wood, a stabilizing core and a balancing layer, you don't have to worry about the climate change. Lastly, for your in-house parties go for the very trending wooden crockery to serve your guests which will also complement your décor theme.
