

# DecoFest

## Festival of Wood 2015

The second 10-day DECO FEST, a festival of wood and premier veneers, opened in the premises of Greenlam Industries Limited situated at Behror in Rajasthan on November 22, 2015.

The festival is focusing more on Decowood Premium veneers and some of its new and innovative products put on display include Decorative Prime Veneer, O2, Pastel Veneer, Master Stroke Veneer, Plus Veneer, Plank Veneer, Polished Panel Board, Digital Veneer, Impressions etc.

Wooden floorings and solid doors manufactured by the company under the brand name MIKASA are also on display at the festival.

Around 200 traders from various parts of the country have so far visited the fest, which is scheduled to conclude on December 1, 2015. Purchase-based attractive awards are also being offered to the buyers.

It may be noted that the first Decowood Fest was held in 2014.

### Decowood:

Decowood has been a brand leader in natural decorative veneers. Decowood offers world's most exotic decorative veneers that are backed

by fine craftsmanship, artistic skills, and years of expertise in creating beautiful and long lasting decor.

With years of industry experience a culture of innovation, Decowood is the pioneer in interior decoration. The company's aim is to design, inspire and create the best quality veneers that are highly durable with solid construction and offer umpteen values to your décor and furniture.

Decowood's state-of-the-art manufacturing facility is located in Behror, a district of Alwar in Rajasthan.
