

ENTITIES IN CHARGE, ENTITIES OF CHANGE

As Indian consumers progressively start speaking in the typical marketing language of activities, interests and opinions – our Indian companies have summarised all means to cater to urban India's sophisticated lifestyles and buying trends.

PEEKABOO PATTERNS OUT IN THE WOODS COLLECTION

This collection is a playful and realistic assembly of elements captured literally from the woods. It can be customised for a crib, toddler bed or chest of drawers and is a perfect example of stylish and comfortable designing. It includes cushions, throws, bed linen, seaters and various accessories. The cheerful choice of colour and design adds just the right happiness quotient to the whole experiment.
