

Specialised Decor ^

Fresh colours, abundant patterns, a versatile collection...need we say more? The Spring Summer 2016 collection from Jagdish Stores is surely our hot favourite.

Design Classics ^

Quirky and bold is the flavour of the season at INV Home and we're not complaining. Bringing unconventional designs from Seletti to add that classic element, is definitely the right choice.

Exquisite detailing with pieces of beauty and brilliance, Decowood from the house of Greenlam Industries Ltd. has outdone our expectations with its new collection of O₂ veneers.

FUTURISTIC TRENDS ^

The path to the future is the Nouveaux Classiques collection from Roche Bobois. Luxurious, elegant, stunning, sophisticated...we could go on.
