

**[Get knotty]**

Distressed wood is a gorgeous rustic option for homes that envelop you with a warm feeling. The knots and blemishes offer a delightful relief, enchanting you with naturalness. (decowoodveneers.com)

Living  
LOVES

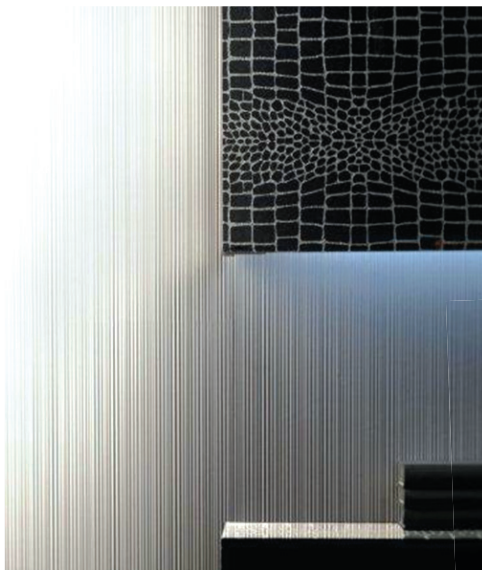

**Folk tale**

Ceccotti Collezioni's Folk suspension lamp lends a different geometric dimension to your space. Made of solid American walnut and sand-blasted smoked glass, it comes in four finishes. [ceccotticollezioni.it]

**HERE HE GOES AGAIN**

Versatile, like his personality, the Karim Rashid collection for Cielo, Enjoy, comes in an extensive product and colour range. (ceramicacielo.com)

**Croco touch**

Antolini embellishes the already gorgeous black granite with a stunning croco finish. Using innovative technology, they redesign natural stone with delicate and uniform etching. [antolini.com]

Alex Davis brings two varied materials – granite and steel – together in an innovative design for toothbrush holder and soap dish. (alexdavisstudio.com)

**STORE SMART**

Stylish storage units like this one makes storage a delight in the bathroom. Frame by Vitra comes in black, white-oak and taupe colour options. (vitra-india.com)

**Cool pair**

How cool is that! Cielo's Catino collection gives a twist to the ceramic story in bathrooms with a contemporary take. It comprises a pair of round ceramic basins in Talcum finish, white Carrara marble top and steel structure with a matte black finish. (ceramicacielo.com)
