Loud and Proud Teak Laminates by Greenlam Industries

Electric Blue and Buoyant Teak

Price: On request

Electric Blue and Buoyant Teak Laminates from the house of Greenlam Industries Ltd. is a masterpiece in itself – adding a pinch of timeless elegance and grandeur to your house with its detailed texture. The distinctive shade of blue evokes a sense of royalty which is enhanced by its classic wood finish. Whether your home is contemporary or traditional, there is always room for a burst of colour that will lend it a cheerful feel. Regal colours such as royal blue, emerald green and burgundy are the go-to colours to amp up the glam quotient of any living space. This season calls for a larger than life celebration, therefore, go all out with this regal laminate.

Wave Chevron

Price: On request

Wave Chevron by Decowood Veneers from the house of Greenlam Industries Ltd. is a beautiful wall veneer with natural textures of wood which stand apart from the rest of the décor. The zig-zag patterns make for a perfect element for that touch of sophistication to any room, be it the bedroom, your workspace or your living area. Add some white linen curtains and pleasant light-coloured furniture to enhance these chevron patterns and make a bold style statement. This season is all about details! Add jewel tones to create a sense of drama with this quintessential patterned veneer.

Oak Sea Mist + Oak Winter

Price: On request

Oak Sea Mist + Oak Winter from Herringbone Twine collection by Mikasa premium engineered wooden floors from the house of Greenlam Industries Ltd. brings to you a monochromatic chequered flooring which brings any space to life. Its high-end aesthetic will make your furniture look remarkably unique. The classic shades of the brown, large-scale chequered floor is an all-time design favourite which shouts out loud and bold in every way. Keep the décor minimalist yet classy by opting out for light coloured earthy décor pieces to balance the setting of the room. Knitting pleasant shades such as grey, blue, and cream together, along with the textured floor creates a seamless and effervescent ambience for your room. This season go for patterned flooring which will be your perfect companion to make your room create a statement.
