2. NATURE OF OPERATIONS .

The Company's factory is located in Batam , Indonesia. The main activities are to produce laminates catalogues

3. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Presented below are the significant accounting policies adopted in preparing the financial statements of the Company, witch are in conformity with generally accepted accounting principles according to International Financial Reporting Standards (IFRS).

a. Basic of preparation of the financial statements

The Company's financial statements were prepared by the Board of Directors . The financial statements have been prepared in accordance with International Financial Reporting Standards (IFRS) on the basis of historical cost and/or fair value basis as stated in the respective policies and are presented in Indonesian Rupiah (IDR).

The cash flow statement is prepared based on the indirect method by classifying cash flow on the basis of operating, investing, and financing activities. For the purpose of the cash flow statement, cash includes cash in hand and cash in banks.

b. Foreign currency translation

Transactions denominated in foreign currencies are converted into Indonesian Rupiah at the exchange rate prevailing at the date of the transaction.

At the balance sheet date, monetary assets and liabilities in foreign currencies are translated into Indonesian Rupiah at the exchange rate prevailing at the date.

Exchange gains and losses arising on transactions in foreign currencies and on the translation of foreign currency monetary assets and liabilities are credited or charged to current operations.

c. Cash and cash equivalents

Cash and cash equivalents include cash in hand and cash in banks.

d. Fixed assets and depreciation

Fixed assets are stated at cost less accumulated depreciation. Historical costs cover expenditure that is directly attributable to the acquisition of the items. Depreciation of fixed assets calculated on the straight-line method to allocate the cost of assets down to their residual values over their estimated useful lives as follows :

		Percentage	Benefit Term
(1)	Machinery	12.5% to 33.33%	3-8 Years
(2)	Vehicle	12.5%	8 Years
(3)	Furniture & Fixture	25%	4 Years
(4)	Office Equipment	25%	4 Years

When assets are retired or otherwise disposed of, their carrying values and the related accumulated depreciation are eliminated from the financial statements, and the resulting gains and losses on the disposal of fixed assets are credited or charged to the current operations.

Major renovations are depreciated over the remaining useful life of the related asset.

e. Impairment of long-lived assets

At balance sheet date, the Company reviews whether there is any indication of asset impairment or not.

Fixed assets and other non-current assets, including intangible assets are reviewed for impairment losses whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the carrying amount of the asset exceeds its recoverable amount, which is the higher of an assets net selling price and value in use. for the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash flows.

f. Taxation

Taxation is charged at the rate of 1% on Gross revenue in cases where the gross revenue of a company doesn't exceed IDR 4.8 billion in an year. The law has come in effect from July 1, 2013.

Amendments to taxation obligations are recorded when an assessment is received or, if appealed against, when the results of the appeal are determined.
