

UNVEILING THE REAL WOOD FLOORING WITH MIKASA

Oak Topaz

Inspired by its eternal nature, Mikasa presents the true grandeur of wood in all its glory. Made for the first time in India, Mikasa infuses the natural elegance of real wood into the fine art of flooring. Mikasa floors are crafted using the latest European technology, engineered to perfection in a state-of-the-art plant. Mikasa showcases the largest selection of real wood floors in India.

Every Mikasa creation comes with a warranty of up to 30 Years. This means we trust our floors to last for years to come and in case you ever need, we are present here in India to fully support the products.

Mikasa unveils its new Collection of wood flooring, Mikasa collection 2017 that will add glamour and style to your interior spaces. Floorings are for lifetime and therefore Mikasa's wood flooring collection is not just durable but also comes in style that will stay forever. The Oak wood collection has all the aspects to spark your imagination to give those spaces a rich finish.

The new collection captures the latest flooring trends as well as the varied consumer choices.
