The Mikasa Doors Grooved Collection – where innovation meets elegance to elevate your spaces with textured excellence. This collection is a testament to the unwavering commitment to transforming wood into an exquisite art form, where every surface pulsates with vitality.

Crafted with meticulous precision, the Grooved doors feature delicately etched patterns that dance across the wood, creating a mesmerizing interplay of textures and visual enchantments. The collection offers 7 unique patterns - Ribbed, Thread, Diagonal, Flutes, Linear, Matrix & Drift – each with its own distinct personality and style.

This extraordinary collection seamlessly marries sophistication with a touch of the unconventional, ushering in a world where creative elegance knows no bounds. With Mikasa Grooved Doors, you can embark on an inspiring journey of exploration and bring a new era of textured excellence to your spaces.

Flemish Wall (Horizon) from NewMika FX collection

Flemish Wall – Horizon from the NewMika FX collection of Greenlam Industries is a stunning tile pattern that fuses abstract linear and finished brick patterns, inspired by the timeless hues of Indian tradition. The earthy tones of “Gerua” and “Chuna” are artfully combined to create a captivating horizon effect that exudes warmth and sophistication, making it an ideal choice for those who appreciate our rich cultural heritage.

But Flemish Wall – Horizon isn’t just about looks. It also boasts practical features like temperature resistance, weather protection, fire, and termite resistance. This means that your walls will not only look gorgeous but will also be protected from the elements and pesky insects.

Whether you’re looking to add a touch of elegance to your home or make a statement with your public building or school facade, Flemish Wall – Horizon is the perfect choice. It promotes eco-consciousness and harmony with the surrounding environment, making it a smart and stylish addition to any space.

Experience the blend of tradition and innovation with the Flemish Wall – Horizon, a perfect choice for wall designs promoting eco-consciousness and harmony with the surrounding environment.

Flemish Wall (Midnight) from NewMika FX collection

Introducing Flemish Wall – Midnight from the NewMika FX collection of Greenlam Industries, an embodiment of English architectural charm in contemporary facades. The raw brick wall patterns, trowelled grey mortar sandwich finish, and midnight look infuse timeless elegance into any exterior.

Beyond aesthetics, Flemish Wall – Midnight is packed with practical features such as corrosion resistance, fire retardant, abrasion resistance, and anti-termite properties. It ensures your facades are not just visually appealing but also well-protected.
