

A PERFECT REFUGE IN CLASSIC BLUE

Catering outlets should look enticing to lure people in and let them enjoy the time they spend while dining. Laminates can do wonders to the décor of eateries. **Parul Mittal, Director, Greenlam Industries Ltd.**, talks about Classic Blue as the color that has the power to redefine your outlet space.

“

Infuse a glittering texture to your Classic Blue cabinets or drawers which makes them stand out and create a plush statement. You can create an elegant base for a classy contrast which looks pleasing to the eyes.

”

AN URBANE PHILOSOPHY

While everyone is talking about the versatility of 'Classic Blue', let's explore the seasoned side of this color. Whether used in fashion or décor, it gives an astonishing view. Infuse a glittering texture to your Classic Blue cabinets or drawers which makes them stand out and create a plush statement. You can create an elegant base for a classy contrast which looks pleasing to the eyes.

To attain a contemporary look, pair this pantone color with wooden laminates. Go for Sparkle Laminates which come in breathtaking hues and pairs well with wood patterns. This tone will provide a refined and graceful look to your restaurant. You can also mix and match open and closed storage options where you can delegate specific compartments for storage needs.

A BLISSFUL NIRVANA

A striking 'Classic Blue' color when teamed-up with wooden furniture and accents, infuses euphoria in the ambiance. Choose sofa sets upholstered in the pantone color of the year 'Classic Blue' along

My instant reaction to the recently announced Pantone color of the year 'Classic Blue' is excitement mixed with simplicity. This colour purely resonates with dynamism, elegance and endurance. What really sets this color apart is the personal touch and comfort it seamlessly adds to your surroundings. This interior-friendly shade has become a true-blue companion for every taste. Incorporate the rich hues of classic blue for the décor and introduce this color thoughtfully to see how the magic unfolds!

Here's how you can create an intimate retreat by embedding this timeless yet lively 'Classic Blue' to your dining spaces.

Parul Mittal

with coffee colored couches which is no less than an epitome of vintage glam. With an irreplaceable appeal of geometric patterns, your cushions will add a bohemian touch to your furniture. You may opt for light pops of color like pantone colors from 2016, which saw blending of two shades - Rose Quartz and Serenity, for the first time. These two colors demonstrated a balance between a warmer embracing rose tone and the cooler tranquil blue.

Coming to the walls for they majorly impact the vibes for any space, go for wooden veneers for that natural and cocooning feel. Since rustic is all about embracing the natural and rugged textures, natural wood veneers make for a perfect choice. Giving a natural warmth to your space, Arctic Oak from Decowood comes in vertical and horizontal grain patterns which enhances the beauty of your space. Place statement accents like woven floor vase in beige or ceramic table crockery in bold red color to create a balance between the color palette. Stylish and textured rugs made with

natural fibers like jute in light and dark shades of blue can do wonders.

SERENE MIX AND MATCH

Wooden floors are a great way to create an everlasting oasis which is welcoming and minimalist. To incorporate this subtle change in your décor, start with weaving two timeless elements and creating a vision in terms of the look of your interiors.

Engineered wood floors have always been in trend with the amount of designs and styles one can get from them. For instance, Noce Imperial from Mikasa Floors not only complements your decor but infuses harmony to your space. The brushing texture of this wood also beautifully brings out the luxury quotient. Place a plain bedsheet layered with an ultra-soft fur blanket. For a crisp finish, play around with velvet cushions in rich hues of grey or pastel pink. To finish this look, add a little shine by placing few metallic accents like a table clock or an antique showpiece. Since, blue is reminiscent of the sky and the sea, when combined with wood, the space will exude tranquility.

Whether you associate 'Classic Blue' as a safe, calm, confident or a royal shade, it is time to convey your love for this shade through redecorating your space. After all, it is a brilliant medium to build a space, even if commercial, which is personalized with your expressions and personality! ●
