Home is where we spend most of our time, especially **right now in the pandemic**. So, it is only natural for us to think about making our personal space more cosy and warm in the winter season. Curling up in our favourite corner with an engaging book and a cup of coffee is the ideal way to spend winters, don't you agree?

As such, Parul Mittal, the director of Greenlam Industries Ltd shares some **home decor tips** for this chilly season. She says there is a need to "make your home space feel brighter and inviting, with plush fabrics and warm colours bringing serenity to the interiors".

"Treat your room by contrasting the colours with engineered wood flooring that imparts a new character. Reignite your aesthetic sense by choosing fine intricate floors including basket weave and heritage, as well as classical patterns," she suggests.

According to Mittal, you can do away with winter blues, by adding some colour or rugs that accentuate the entire set-up, making the room appear cosy. A bold print or a pattern can also liven up your space.

Refurbish doors

This is the season to incorporate warm earthy shades to give "your house the facelift it deserves". Mittal suggests you can "refurbish doors and increase not just the visual appeal, but also their quality by ditching the age-old traditional practice of getting them painted".

"The unique combination of beauty and functionality is making people choose laminate sheets for their doors. There are also laminates that not only offer the usual benefits, but also other features such as anti-microbial and fire-retardant properties," she concludes.

Styling dreamy pastels in a modern home

Channel the carefree nostalgia of a fresh spring day in the meadows with charming pastels like pink, yellow and green. **Rebecca Snowden**, Interior Style Advisor at Furniture And Choice shares 3 ways to style a modern home with dreamy springtime pastels.

1. Soften a modern living room with pretty floral hues

Signal the beginning of warmer days with touches of soft springtime pastels in the living room. Create an airy look with fresh white walls and a timeless grey sofa with raised legs. "Bring in floral hues like Pantone's Rose Tan and iris blue through scatter cushions and lively centrepieces for a dose of dreamy spring nostalgia," says Rebecca. Then balance the space with pops of modern black and soothing greenery for a contemporary finish.

2. Use meadowy green walls for a touch of country charm

"Channel the relaxing feeling of a day in the countryside by painting your walls Pantone's Tendril - a meadowy green that's both lively and calming," advises Rebecca. "Elevate the look with a fresh white wood dining set for a hint of contemporary country charm." Then add pops of a light yellow like Pantone's Anise Flower and light blue through flowers or artwork for a sunny, blue-sky effect.

3. Style a chic, dreamy bedroom with blush and yellow tones

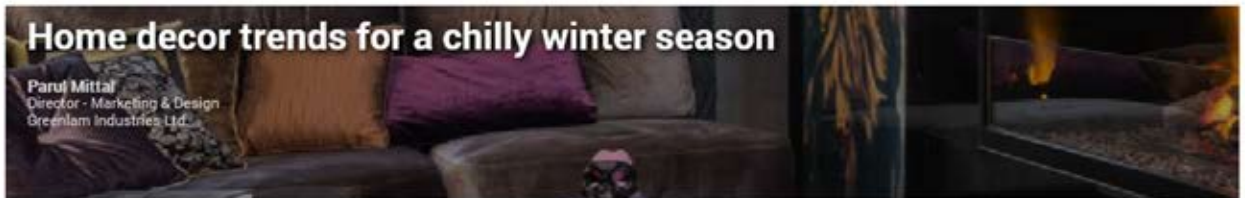

Sweet and stylish, use a palette of pink, white, grey, and yellow in a modern bedroom. Create a contemporary blush haven with a half wall of desert pink like Pantone's Rose Tan, and white shaker style panels.

"Wall panels are a great way to add character and depth without taking up floor space - and they can work as a mini ledge for learning art or displaying small accessories too," says Rebecca. Choose a modern grey fabric bed, then add pops of muted yellow tones like Pantone Anise Flower to soften the space and keep things light and contemporary.

There is no place like home. With the days becoming chilly as the temperature drops, there arises a desire to spruce up your living space and bring warmth to your rooms. Make your home décor cosier, brighter and inviting using plush fabrics and warm colours that add serenity to the interiors. Parul Mittal, Director Greenlam Industries, takes us through her tips on beating the dreary winter gloominess and relishing the cold season with ways to revamp your home.

With the current times and the ever-evolving hectic lifestyles, your bedroom is no more just a space to unwind and relax, but much more. Infused with sheer luxury and crafted using the latest technology that will help you keep your room in style, engineered wood flooring is the way to go. Using it, you can treat your room with contrasting colours, thus imparting a new character to the space. The flooring designs available today help create fine intricate floors, including basket weave and heritage, and classical patterns. The season is notorious for its unforgiving winter blues; it's time to unlock your style and pop in some colour by adding rugs that accentuate the entire set-up, making your room a [cosy haven](#).

Curling in the zen spot, a little *me* time, hot chocolate in a huge mug, and weaving a peaceful oasis of their own, that's all one needs to enjoy the warm solace the season offers. You could also arrive at the same winter set-up by adding throw blankets, a comfortable armchair, and plush throw pillows to your favourite corner in the home. With the gloomy skies outside and uncertain times lying ahead of us, it is time to render a glamorous touch to your abode by brightening up your space and making it feel cheerful and energetic. Veneers are a crucial part of interior décor, and installing distinctive designs and patterns in your home adds a luxurious touch and finesse. Everyone is putting all their efforts into maintaining personal and environmental hygiene to stay safe at home. Veneer is an eco-friendly yet durable solution that does not cause any harmful impact on your health or surroundings.

The days when neutral shades were considered boring are far behind; it is time to incorporate some warm earthy shades. This season, give your home the [facelift](#) it deserves and make your doors stand out from the rest of the elements. Refurbish your doors and increase their visual appeal and quality by ditching the age-old traditional practice of getting them painted. With the unique combination of beauty and functionality, laminate sheets have become popular with people for their doors. Top-notch door laminates offer a lot more than the usual benefits, such as anti-microbial and fire-retardant properties. They are a perfect blend of innovative designs and the latest technology catering to the unique needs of your home that are pleasing to the senses.

Celebrate this winter season by welcoming various winter trends that will treat your home. While the world has been staying in and staying safe, it is time to give your home some attention and the love it deserves.

घर वह जगह है जहां हम अपना ज्यादातर समय बिताते हैं, खासकर **अभी महामारी में**। इसलिए, सर्दियों के मौसम में अपने निजी स्थान को अधिक आरामदायक और गर्म बनाने के बारे में सोचना हमारे लिए स्वाभाविक ही है। एक आकर्षक किताब और एक कप कॉफी के साथ हमारे पसंदीदा कोने में कर्लिंग करना सर्दियों बिताने का आदर्श तरीका है, क्या आप सहमत नहीं हैं?

ऐसे में ग्रीनलैम इंटरस्टीज लिमिटेड की निदेशक पारुल मित्तल ने कुछ शेयर किए हैं **घर की सजावट के टिप्स** इस सर्द मौसम के लिए। वह कहती हैं कि "अपने घर की जगह को उज्ज्वल और आमंत्रित करने की आवश्यकता है, आलीशान कपड़ों और गर्म रंगों के साथ अंदरूनी हिस्सों में शांति लाएं"।

शायनकक्ष

"अपने कमरे को एक नया चरित्र प्रदान करने वाले इंजीनियर लकड़ी के फर्श के साथ रंगों के विपरीत व्यवहार करें। टोकरी की बुनाई और विरासत के साथ-साथ शास्त्रीय पैटर्न सहित बारीक जटिल फर्श चुनकर अपने सौंदर्य बोध पर राज करें, "वह सुझाव देती हैं।

मित्तल के अनुसार, आप कुछ रंग या आसनों को जोड़कर सर्दियों के ब्लूज को दूर कर सकते हैं, जो पूरे सेट-अप पर जोर देते हैं, जिससे कमरा आरामदायक दिखाई देता है। एक बोल्ल प्रिंट या एक पैटर्न भी आपके स्थान को जीवंत कर सकता है।

कर्लिंग स्पॉट

इसके बाद, आप "कुछ फैंक कंबल, एक आरामदायक कुर्सी, और आलीशान फैंक तकिए जोड़कर" अपने नुक्कड़ को और अधिक रोचक बना सकते हैं।

वह बताती हैं, "लिबास आंतरिक सजा का एक महत्वपूर्ण हिस्सा है और अपने घर में विशिष्ट डिजाइन और पैटर्न स्थापित करना एक शानदार स्पर्श जोड़ता है।

दरवाजे का नवीनीकरण

यह "आपके घर को वह नया रूप देने का हकदार है" देने के लिए गर्म मिट्टी के रंगों को शामिल करने का मौसम है। मित्तल का सुझाव है कि आप "दरवाजों को नवीनीकृत कर सकते हैं और न केवल दृश्य अपील को बढ़ा सकते हैं, बल्कि उन्हें चित्रित करने की सदियों पुरानी पारंपरिक प्रथा को हटाकर उनकी गुणवत्ता भी बढ़ा सकते हैं"।

"सौंदर्य और कार्यक्षमता का अनूठा संयोजन लोगों को अपने दरवाजों के लिए लेमिनेट शीट चुनने पर मजबूर कर रहा है। ऐसे लेमिनेट्स भी हैं जो न केवल सामान्य लाभ प्रदान करते हैं, बल्कि अन्य विशेषताएं जैसे कि एंटी-माइक्रोबियल और अग्निरোধी गुण भी प्रदान करते हैं, "उसने निष्कर्ष निकाला।
