Greenlam unveils Decowood Madera Hub in Mumbai

Greenlam Industries has launched the Decowood Madera Hub, a 5,000-square-foot display

and stocking center in Mumbai. Featuring an impressive range of Greenlam's premium products, including Decowood

Veneers, Mikasa Floors, Doors, and Plywood, the hub offers design professionals a tactile experience with over 200 veneer textures. Inaugurated by Mr. Saurabh Mittal, MD & CEO, Greenlam Industries Limited, the facility combines showroom

and warehouse functions, aiming to become the go-to destination for architects and interior designers. The launch marks a significant step in Greenlam's commitment to providing high-quality, world-class surfacing solutions in India.

Greenlam Industries launches Decowood Madera Hub – A display cum stocking center for its flagship brands in Mumbai

Greenlam Industries, a global leader in substrate and surface solutions, is excited to unveil its new display and stocking center, the Decowood Madera Hub, in Mumbai. Spanning 5,000 square feet, this extensive facility combines both showroom and warehouse functions, showcasing an impressive collection from Greenlam's premier brands, including Decowood Veneers, Mikasa Floors, Mikasa Doors & Frames, and Mikasa Plywood.

The Decowood Madera Hub, an iconic destination for premium wood artistry in Mumbai, embodies the elegance and craftsmanship that Greenlam stands for. Named after the Spanish word for "wood," Madera is a sanctuary for design professionals, offering a curated selection of luxurious decorative veneers, wood flooring, doors, and plywood.
