Greenlam Industries Ltd. awarded the largest Laminates exporter

By Architecture Update - Jul 27, 2018 31 0

Greenlam Industries Ltd. awarded the largest Laminates exporter for Financial Year 2015-16 & 2016-17

Greenlam Industries Ltd. – one of the companies in decorative surfaces, has once again been awarded honours in the exports category for FY 2015-2016 and FY 2016-2017. The Plastics Export Promotion Council (popularly known as PLEXCONCIL) has recognised Greenlam Industries Ltd. as the largest exporter in the category of decorative laminates for these two Financial Years in the award ceremony held in Mumbai on July 21, 2018.

Speaking on receiving the award Ms. Parul Mittal, Director, Greenlam Industries Ltd. said, *"It is really a matter of pride for us to be recognised once again by PLEXCONCIL. We have and will continue to strive to grow more and strengthen our network. We have recorded a CAGR of 19.8% for the last 8 years in exports in decorative laminate segment. We will continue to work towards maintaining our foothold in the international market while offering products that are on par with the global market."*

Greenlam Industries Limited is currently among the top 3, Asia's largest and India's No. 1 surfacing solutions brand in the world. With production facilities in Behror and Nalagarh in India, Greenlam has the largest and widest distribution network of over 12,000 distributors, dealers, and retailers across the country. In the international market, Greenlam is present in over 100 countries with 2 company owned distribution set up at Singapore & Pennsylvania and offices in 11 countries including USA, UK, Singapore, Thailand, Hong Kong, Taiwan, Malaysia, Indonesia, Philippines, Vietnam & UAE. Holding 33% market share in the Laminates exports from India, Greenlam is the largest exporter of laminates in India.

Greenlam Industries Ltd. aims to continue to strengthen its foothold in international markets through introduction of newer products and expansion in manufacturing capacity. With over 90 overseas employees, the company's wide network is its strength.
