### Greenlam bags largest Laminates exporter award

July 29, 2018 supplychain

Greenlam Industries has once again bagged the most prestigious honours in the Exports category for FY 2015-2016 and FY 2016-2017. The Plastics Export Promotion Council (popularly known as PLEXCONCIL) has recognized Greenlam Industries as the largest exporter in the category of decorative laminates for these two Financial Years in the award ceremony held in Mumbai on July 21, 2018.

Greenlam Industries Limited is currently among the top 3, Asia's largest and India's No. 1 surfacing solutions brand in the world.

With production facilities in Behror and Nalagarh in India, Greenlam has the largest and widest distribution network of over 12,000 distributors, dealers, and retailers across the country.
