Oak Mist by Decowood from the house of Greenlam Industries Ltd. provides the right amount of sophistication to your walls with elegant textures. Give a fresh new look to your space by playing with eccentric geometric patterns. Mix and match your cushions, bedsheets or rugs adorned with patterns such as zig-zag or striped lines, polka dots and more. Go for timeless color combinations like yellow, black, white and shades of light brown to infuse vibrancy in your furnishings. The secret sauce to ace a balanced home décor look is to blend all these elements in such a way that your room looks uncluttered and vibrant.
