Urban Concrete

Urban Concrete

Urban Concrete from the HPL collection of Greenlam Laminates from the house of Greenlam Industries Ltd. is an excellent fitment to your décor. The stone-like finish adds an authentic touch to your space which merges well with the rest of the décor. Being in trend, the concrete look provides a balance to your room by providing a modern and chic style. Incorporate some timeless wood elements in terms of the coffee table and a chair with the same color scheme to create a unique vision at your abode.

Oak Earth

The natural colored Oak Earth from Mikasa real wood floors from the house of Greenlam Industries Ltd. adds a dreamy touch to your floors. Ideal for usage in any room, Oak Earth comes with Mikasa's signature PlankLoc technology to help in minimal upkeep and ease of installation. These floors enhance the aesthetic appeal of the room and make the room look spacious and airy. Keeping the décor minimal, add a statement couch in a vibrant hue to complement the timeless aura of natural wood. Make sure to add a lot of natural light throughout your home to make it look sparkling and pristine..

Exterior Clads

Greenlam Exterior Grade Cladding from the house of Greenlam Industries is perfect if you wish to incorporate a rich and gorgeous finish to the outside of your home. The exterior clads come with an unmatched GLE Technology that makes them fade-resistant, resistant to microbial threats, weather-proof and fire-retardant, hence apt for exteriors. Exterior clads allow you to decorate your home and come with special fasteners that are made using non-corrosive materials like stainless steel and aluminium, that offer better colour fastening properties. The striking white shade of these exteriors looks stunning with geometric lines add dynamism to the exteriors and help bring alive the calm and soothing aura of your home.
