

## IRIDESCENT TEXTURES

### Oriental Bamboo

Oriental Bamboo by Decowood premium veneers from the house of Greenlam Industries Ltd. is an excellent fitment to your décor. Besides adding a blonde shade to your space, this shade adds a touch of subtlety to your home. Pair Oriental Bamboo with dark coloured real wood floors and jute storage boxes to create a sophisticated aura in your décor. This tanned tone and added texture provides a balance to your décor which makes the décor extremely appealing to the eyes. ●
