

LOUD AND PROUD

Electric Blue and Buoyant Teak Laminates from the house of **Greenlam Industries Ltd.** is a masterpiece in itself – adding a pinch of timeless elegance and grandeur to the house with its detailed texture. The distinctive shade of blue evokes a sense of royalty which is enhanced by its classic wood finish. Whether the home is contemporary or traditional, there is always room for a burst of colour that will lend it a cheerful feel. Colors such as royal blue, emerald green and burgundy are go to colours which add up the glam quotient to any living space. This season calls for a larger than life celebration, therefore, go all out with this regal laminate.
