

# Touch Wood

Looking for textures in Engineered wooden flooring? Check out the new premium collections by Mikasa and Decowood from the house of Greenlam Industries. The three ranges are called Oak Smokehouse, Ash Fresno and Oak Tar. The deep, chocolaty shade of Oak Smokehouse helps you make a bold statement with your floors, while the light Ash Fresno is ideal for contemporary decor. Oak Tar by Decowood is an ideal veneer for bathrooms. The availability of vertical and horizontal grain patterns helps you create various designs. All prices on request.
