## FRESH N NEW

### TRANSFORM YOUR INTERIOR SPACES WITH THESE EXQUISITE LAMINATES

Laminates, depending on the design, colour, or pattern, can help you recreate a wide range of interior styles. Put on your creative hats and follow these tips to strike the right balance between cosy and appealing décor, with bold hues

#### **Almond or Chocolate from Four X Ten Collection**

These are ideal laminates used for both commercial and residential usage. It is a 4ft wide and 10ft long laminate that is best suited for a seamless finish due to its unified look with no joints or intersections and, moreover, produces less waste, making it cost effective for users.

#### **Refresh Oak from Four X Ten Collection**

Wood pattern laminates are equipped with a multitude of features, including anti-bacterial, heat, impact, scratch, and abrasions resistant etc. while also giving a flawless finesse to your interiors with uniformity and beauty. Along with that, they also avoid the challenge of grain or pattern mismatch, which saves time during installation. Hence, these laminates are equipped with dimensional stability and non-toxic emissions for safe and hygienic spaces.
