2. **Under VI(b) Breakup of total number of shareholders (Promoters + Other than promoters):** The bifurcation of shareholders under the heads *Individual – Male/Female/Others* has been prepared on the basis of the Beneficiary Position (Benpos) received from the depositories and the data of physical shareholdings available in the records of the Registrar and Transfer Agent (RTA). In certain cases, the gender details of some shareholders are not available/mapped in the depository records or in the records of the RTA. Accordingly, such shareholders have been reported under the category *"Other than Individuals"* in the eForm MGT-7.

Kindly take the above clarifications on record and treat the filing as due compliance.

Thanking You,
Yours faithfully,
